- (b) authorize an officer in writing to enter at all reasonable hours the place at which such insurer is carrying on long term insurance business and examine any books, registers or documents of such insurer relating to such business, and such insurer shall furnish such return or permit such officer to enter such place and make such examination.

(4) Where, following an actuarial investigation into the financial affairs of an insurer transacting long term insurance business under subsection (1) of section 48, there is an established surplus in respect of participating policies which the actuary has recommended as being available for distribution, the insurer shall not transfer or otherwise apply assets representing any part of that surplus, unless the insurer has allocated for the payment of bonuses to holders of participating policies at least ninety *per centum* of that surplus.

Assignment or transfer of long term insurance business policies.

39. (1) A transfer or an assignment of a policy of long term insurance business, whether with or without consideration, may be made only by an endorsement upon the policy itself or by a separate instrument signed in either case by the transferor or by the assignor or his duly authorized agent, and attested by at least one witness, and specifically setting forth the fact of transfer or assignment.

(2) No transfer or assignment of a policy of long term insurance business shall be of any effect as against the insurer, unless it is made in accordance with subsection (1), and until a notice in writing of the transfer or assignment, together with the instrument or endorsement or a copy thereof which is certified by or on behalf of the parties to the transfer or assignment to be correct, is served on the insurer at its principal place of business in Sri Lanka.

(3) The date on which the notice referred to in subsection (2) is served on the insurer, shall regulate the priority of all claims under a transfer or an assignment of a policy of long term insurance business as between persons interested in the policy, and where there is more than one instrument of transfer or assignment, the priority of the claims under such instruments shall be governed by the order in which the notices referred to in subsection (2) are served.

(4) Upon the receipt of the notice referred to in subsection (2), the insurer shall record the fact of such transfer or assignment together with the date thereof and the name of the transferee or the assignee, and shall on the request of the person by whom the notice was given, or of the transferee or assignee, grant a written acknowledgment of the receipt of such notice, and any such acknowledgment shall be conclusive evidence against the insurer that such insurer has duly received the notice to which such acknowledgment relates.

(5) Subject to the terms and conditions of the transfer or assignment, the insurer shall, from the date of the receipt of the notice referred to in subsection (2), recognize the transferee or assignee named in the notice as the only person entitled to benefit under the policy, and such person shall be subject to all liabilities and equities to which the transferor or assignor was subject at the date of the transfer or assignment, and may institute any proceedings in relation to the policy without obtaining the consent of the transferor or assignor or making him a party to such proceedings.

(6) Any rights and remedies of an assignee or transferee of a policy of long term insurance business under an assignment or transfer effected prior to the appointed date, shall not be affected by the provisions of this section.

(7) Notwithstanding any law or custom having the force of law to the contrary, an assignment in favour of a person made with the condition that the interest shall pass to some other person on the happening of a specified event during the lifetime of the person whose life is insured, and an assignment in favour of survivor or survivors of a number of persons, shall be valid.

Acquisition of
surrender value by
policy.

40. (1) Where, in terms of a policy of long term insurance business, the policy is to mature upon survival to a fixed date or on the death of such person, and the policy is subject to payment of premia at an uniform rate for a fixed term or where the death occurs before the expiry of such fixed term, until the date of such death, and all premia have been paid for three consecutive years, the policy shall be deemed to acquire a surrender value, and, notwithstanding any contract to the contrary, shall not lapse by reason of non-payment of further premium, but shall, notwithstanding such non-payment, be kept in force to the extent of its paid-up value.

For the purpose of this subsection, the method to be used to calculate surrender values and paid-up values, shall be certified by an actuary.

(2) Where a debt owing to an insurer is secured by a policy of long term insurance business issued by the insurer and, under subsection (1), the policy is kept alive to the extent of its paid-up value, the insurer—

- (a) may treat the debt as a debt secured by the policy so kept alive, and thereupon the policy so kept alive shall be a security for the debt ; or
- (b) may reduce the amount of such paid-up value by an amount the present value of which is equal to the amount of the debt, and thereupon the debt shall cease to be owing to the insurer.

(3) This section shall not apply in any case where —

- (a) the sum assured is payable only on the happening of a contingency which may not arise ;
- (b) the paid-up value of the policy is less than such amount as is determined by the Board from time to time ;
- (c) after default has occurred in the payment of the premium, the parties agree in writing to some other arrangement ; or

- (d) the surrender value of the policy is automatically applied under the terms of the contract for maintaining the policy in force notwithstanding the non-payment of premia.

41. No policy of long term insurance business shall after the expiry of two years from the date of the issue of the policy, be called in question by any insurer on the ground that a statement made in the proposal or other document on the faith of which the policy was issued or reinstated, or in any report of a medical officer or referee, was inaccurate or false, unless the insurer shows that such a statement was made on a material matter or suppressed facts which it was material to disclose, and that it was fraudulently made by the policy holder and that the policy holder knew at the time of making it that the statement was false or that it suppressed facts it was material to disclose :

Policy not to be called in question on the ground of misstatement after two years.

Provided that, nothing in this section shall prevent the insurer from calling for proof of age at any time, if it is entitled to do so under the policy conditions, and no policy shall be deemed to have been called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.

42. (1) Where any premium in respect of a policy of long term insurance business is not paid on the date on which it is payable, notice of the options available to the policy holder shall be given to him by the insurer before the expiry of a period of three months from the said date, unless such options are set out in the policy, and no further notice of the options available shall be given thereafter to the policy holder.

Supply of notice of options &c.

(2) Every notice under subsection (1) shall be deemed to have been duly given to the policy holder if it is sent to him to such address as may be specified in the policy or, where the address is not so specified, to the address to which a renewal premium notice or receipt was last sent by the insurer to the policy holder.

(3) Upon application made to an insurer in that behalf, the insurer shall supply to the policy holder or to his legal representative or to an assignee of the policy, a certified copy of the proposal for the policy and of the personal statement made to the medical officer by the proposer, unless copies thereof are attached to the policy.

43. (1) The holder of a policy of long term insurance business may, when effecting the policy or at any time before the policy matures for payment, nominate the person or persons to whom the money secured by the policy shall be paid in the event of his death :

Provided that, where any nominee is a minor, it shall be lawful for the policy holder to appoint in the prescribed manner any person on behalf of the minor, who may receive the money secured by the policy, in the event of his death during the minority of the nominee.

(2) A nomination under subsection (1) shall, unless it is incorporated in the text of the policy itself, be made by an endorsement on the policy and such endorsement shall by notice in writing be communicated to the insurer who shall register such endorsement in the record or register relating to that policy. Any such nomination may at any time before the policy matures for payment be cancelled or changed by another endorsement or by a will of the policy holder, as the case may be, and unless notice in writing of any such cancellation or change has been given by the policy holder to the insurer, the insurer shall not be liable for any payment under the policy made *bona fide* by him to a nominee mentioned in the text of the policy, or registered in records of the insurer.

(3) The insurer shall furnish to the policy holder a written acknowledgment of having registered a nomination or of any cancellation or change thereof.

(4) A transfer or assignment of a policy made in accordance with section 39 shall have the effect of canceling a nomination :

Provided that, the assignment of a policy to an insurer who bears the risk on the policy at the time of the assignment, in consideration of a loan granted by that insurer on the security of the policy within its surrender value, or its reassignment on repayment of the loan, shall not effect a cancellation of a nomination, but shall affect the rights of the nominee only to the extent of the insurer's interest in the policy.

(5) Where the policy matures for payment during the lifetime of the person whose life is assured or where the nominee, or if there are more nominees than one, all the nominees, die before the policy matures for payment, the amount secured by the policy shall be payable to the policy holder or his heirs or legal representatives, as the case may be.

(6) Where the nominee, or if there are more nominees than one, one or more of such nominees survive the person whose life is assured, the amount secured by the policy shall be payable to such survivor or survivors.

44. No insurer who carries on long term insurance business shall, for the purpose of declaring or paying any dividend to shareholders or any bonus to its policy holders, or of making any payment in service of any debentures, loans or advances on account, utilize directly or indirectly any portion of the Long Term Insurance Fund or of the funds of such other class of insurance business, except a surplus shown in the valuation balance sheet submitted to the Board as part of the abstract referred to in section 48 as a result of an actuarial valuation of the assets and liabilities of the insurer ; and such surplus shall not be increased by contributions out of any reserve fund or otherwise, unless such contributions have been brought in as revenue through the revenue account applicable to long term business on or before the date of the valuation aforesaid, except when the reserve fund is made up solely of transfers from similar surpluses disclosed by valuation in respect of which returns have been submitted to the Board under section 49 of this Act.
